

# **Change Me**

Words and music by Terah Lynn, (c) 2011

## **Verse**

Change me, cleanse me,  
Let your presence come  
Like a river to wash me;  
By your spirit let me be  
One who praises you,  
Please change me, Lord.

## **Chorus**

Change me, Lord, change my heart,  
May your presence find a home within me;  
Let my soul be a temple for your spirit  
And use me for your glory,  
Change me, Lord.
