

# Come Home

Words and music by Terah Lynn, (c) 2011

## Verse 1

You walk with me through the valleys  
Even when I can't feel You, You're there  
Your hands surround me, holding me, guiding me  
You listen to every desperate prayer.

## Verse 2

You're my Father, you'll never leave me,  
You know every hurt, every fear;  
When I cry to You in the night You hear me,  
And You say, "Child, I am here."

## Chorus

I am here when you're weary,  
I am here when you're lost and alone,  
I am here, and I'm calling  
Oh, child, come home,  
Oh, child, come home.

## Verse 3

Jesus, I can't live without You,  
Sometimes I try to walk in my own strength  
But then I realize once again that I need You,  
And You tell me, "Child, I am here."

## Chorus

I am here when you're weary,  
I am here when you're lost and alone,  
I am here, and I'm calling  
Oh, child, come home  
Oh, child, come home.

For I am here, I know you're weary  
I am here though you thought hope was gone  
I am here, oh please hear Me calling  
Oh, child, come home  
Oh, child, come home

'Cause don't you know that when you're with Me, you're Home.
