

Facets of a Creator

Words and music by Terah Lynn, (c) 2011

Verse 1

So vast, so infinite your wisdom;
Truth, like a diamond, is cut to mirror
The brilliance of your beauty.

Verse 2

How profound, how fathomless your love;
Waves of compassion freely flow from
The depths of your heart.

Verse 3

How awesome the radiance of your glory;
Incomprehensible and confounding
Is the splendor of your holiness.

Verse 4

So high, so intricate your plan;
As we learn to trust You, You reveal to us
The mysteries of You,
The mysteries of You...
