

Life Goes On

Words and music by Terah Lynn, (c) 2014

Verse 1

Sometimes I like the rain
But not today, it's a bit too grey
Tryin' to carry on
Got work to do, but my mind's on you

My day's been long and you're still gone
But it's ok, 'cause as they say

Chorus

Life goes on
Life goes on
Life goes on
Life goes on

Verse 2

Sometimes I see your pain
When you can't find your peace of mind
I know you feel alone
When life's not clear, but I'm still here

Take my hand through these trials
As we learn to smile and say

Chorus 2

Life goes on
Life goes on
Life goes on
Life goes on and on and on
And on and on and on

So let's live this time that we've been given
Finding joy in every day

Chorus 3

'Cause your life goes on
Life goes on
Life goes on
Life goes on

So just live your life
Don't be afraid to live
To take each step
Day by day
And your life, it goes on and on and on
And on and on and on

So just Live
